**Institutional provisions for catering to differential
student needs; Appropriate learning exposures
are provided to students**

Practical Skills Enhancement

Our College is running 2 years teacher education program. In the syllabus of B.Ed. 60% importance is given to the practical skill development. Each semester of the B.Ed. course is added student's centric practicum which can give new dimension to the teachers of the 21st century. Practical's like teaching & reflecting on the text provide the opportunity to read-think & reflect. Yoga education provides skills of peace & life happiness. Practice teaching program & Internship program provide opportunity to the students for learning actual practical skills which can boost the confidence of students teacher. Our institute is rigorously working on micro teaching skill enhancement program & integrated lessons. Students teachers are made aware about the actual school functioning at the time of practice teaching & internship. In second semester 1 month internship program is provided & in 4th semester 4 months internship program is provided to the students as per the guidelines of SRTM University. Students groups are prepared & schools are allotted to each group within 10 to 15 KM jurisdiction.

Choice Based Credit System (CBCS) CBCS is a flexible system of learning that permits students to, Learn at their own choice and pace. Adopt an inter-disciplinary and intra disciplinary approach in learning, and make best use of the expertise of available faculty. The relative importance of subjects of study is quantified in terms of credits. In CBCS for B.Ed. program of this university carry total 100 number of credits distributed in two academic years (i.e. I, II, III, IV semesters and each semester 25 credits). Credits normally represent the weightage of a course and are a function of teaching, learning and evaluation strategies such as number of contact hours, the course content, teaching methodology, learning expectations, etc. In each of the courses, credits are assigned on the basis of the number of lectures / tutorials / laboratory work and other forms of learning required for completing the course contents in academic year excluding examination, vacation period from the commencement of course. The minimum instructional days as worked out by the NCTE for one SEMESTER are 100-105 working days.

Competitive Exam Cell- Opportunity for new learning areas

PU. Ahilyadevi Adhyapak Mahvidyalya is committed to impart need based and practical

education and we are committed for holistic development of students. **Competitive Exam Cell** is catering the need of students to prepare for competitive examinations.
